

Dear Classmates,

It is hard to believe but in six months, we will become the 26th graduating class of Georgia State University College of Law. Upon graduation, we will join over 3,800 Georgia State law graduates who attribute their success in large part to the great legal education they received at the College of Law; and who have been generous in their financial support of the law school. This financial support enables the college to strengthen the reputation and value of a GSU law degree. So as we prepare to transition from students to alumni, we ask you to begin your support for the College of Law by participating in the Class of 2009 Class Gift Campaign.

We are excited to announce that contributions for this year's class gift campaign will be designated to the **Class Gift Scholarship Fund**. This student supported, student assisted fund will provide both an immediate financial support to a deserving law student from the entering Class of 2012 while also retaining a percentage of the gift to build the fund as an endowed scholarship (a fund that will exist in perpetuity) that, with the support of future class gift campaigns will grow over time to support multiple students per year.

Our goal is to raise at least **\$10,000** and importantly, to collect **100%** participation from our class. Remember, every contribution, regardless of size, will be accepted and very much appreciated.

If you contribute to this campaign, you will receive:

1. Recognition in the official Hooding Ceremony printed program (if the gift is received by MAY 1st deadline).
2. Recognition in the college's annual fund report with all fellow law graduates who contribute annually.
3. Recognition on the "Class of 2009" plaque (for gifts of \$50 or more).
4. The satisfaction of helping to provide an affordable legal education to a future alum, colleague, or friend.

To participate in our Class Gift Campaign, please go to http://law.gsu.edu/alumni/giving_form_2009.php or fill out the attached form and return it to the 4th floor receptionist. For further information, please contact any of us, or Ely Abbott, Director of Development at eabbott1@gsu.edu or (404) 413-9022.

This is a great opportunity for the Class of 2009. As we close the chapter as law students and begin a new chapter as the newest members of the college's successful alumni community, we hope you will stand with us and continue to support the future students of the College of Law!

Thank you,
